

IN THE United STATES District Court
District of Delaware

Kevin C. Brathwaite
Plaintiff

V.

C.A.# 04-1542-G.M.S.

Robert Wallace, et. al
Defendants

Jury trial demanded

Plaintiffs response to the
defendants answer and defenses
Carpenter, Wallace, Stevenson
and Rispoli.

Now comes the Plaintiff, Kevin C. Brathwaite, responding to the defendants answer and defenses.

To support this motion, this plaintiff offers the following:

1. This Plaintiff can prove that every single statement and allegation made in his complaint is 100% factual.

2. IN the defendants ANSWER they continuously lied AND blew smoke screens in an attempt to MANIPULATE the court.

3. Every single paragraph in the defendants ANSWER is a blatant lie, AND these defendants just show there clear disregard for the VISCIOUS ASSAULT that took place.

4. The medical reports, witnesses to the ASSAULTS statements AND testimony cannot be disputed.

5. Through Ten (10) years of incarceration this PLAINTIFF has no history of violence.

6. The defendants employment records will show a pattern of ASSAULTS UPON inmates AND conspiracies to cover up their misdeeds.

7. The only way the facts of this case can be proven is if this Plaintiff is granted a trial in this matter so that he can properly present his evidence and testimony by witnesses that were present throughout the entire incident.

Wherefore, this Plaintiff demands that this case be sent to trial and that all relief requested be granted.
